

Intex 8ft Paddling Pool Wooden Deck Plan

Visit <https://bobmckay.com/life/diy-tools/intex-paddling-swimming-pool-wooden-deck/> for detailed instructions and photos of finished deck.

Measurements for the Angles

Yellow Lines Showing Where Edges of Deck Planks Need to reach (at least)

Fix Planks to the Beams, then cut off excess with circular saw depth set to 1mm deeper than plank. This method is fast, easy and creates nice straight lines
